

#### **Basketball Goal Submission Documentation:**

- Provide specification sheet of proposed basketball goal
- Provide plan view sketch of proposed location of basketball goal

#### **Concrete Patio Submission Documentation:**

- Provide fully dimensioned plan view prints for project showing setback location from property/fence lines
- Note any proposed concrete color or patterns on prints
- Drainage plan
- Photo of the project area

#### **Deck with Underneath Storage Submission Documentation:**

- Provide rendering of proposed project
- Provide material information sheets for rails, decking material, including color.
- Provide fully dimensioned side and elevation plans for project, specifically of new storage area if applicable. Be sure to note window sizing.
- Provide plan view showing landing location showing placement is behind corners of home or provide dimensions from landing to property lines.
- Photo of the project area

#### **Exterior House Painting Submission Documentation:**

- Color paint selection (include manufacturer & color name/ID number)
- Paint placement (main body, trim, doors, etc.)
- Photo of existing home colors (front of home photo is sufficient)

#### **Fence Submission Documentation:**

- Fence cutsheet (must match existing fencing in height and design found throughout neighborhood)
- Plan view showing placement of new fencing

#### **Hot Tub Submission Documentation:**

- Hot tub cutsheet with dimensions noted
- Plan view of placement of hot tub
- Submit any fencing or landscape screening plan
- Photo of the project area

#### **Landscaping Submission Documentation:**

- Plan View of property showing location of new plantings
- Identification of plantings noting variety and height

#### **Pool Submission Documentation:**

- Pool cutsheet (if fiberglass, drop in pool).
- Pool tile color or color of fiberglass pool interior.
- Pool deck color.
- Plan view showing pool location/surrounding pool deck location with all property line/setback dimensions to edge of pool deck.
- Landscaping screening plan showing plant placement/height/variety.

- Fencing details (must match fencing found throughout neighbor).
- Drainage plan (Need to ensure you are not inadvertently directing water onto your neighbor's property)
- Photo of the project area

**Roof Replacement Submission Documentation:**

- Roof manufacture name, color, and type
- Photo of existing roof color
