

### Yard Waste guidelines

**Yard Waste:** Acceptable yard waste consists only of grass clippings, twigs and small limbs properly cut and bundled. Place your yard waste in biodegradable paper bags (available at any local hardware store) or in a bundle no more than 18 inches in diameter and not longer than 4 feet in length. Items cannot weigh more than 60 pounds. You are allowed up to 10 items per pickup. Pickups are weekly all year except for the period between the 2<sup>nd</sup> week of January through February when pickups are made on-call from individual residents. Hedge apples, Walnuts and Gumballs *are picked up as yard waste, in compost bags no more than 25 lbs (normal bag limits still apply)*. If you have additional items they must have a sticker which can be purchased from us in sheets of 10 (up to 10 stickered bags per week). Please call our office for details at 800-964-8988.

### Walnuts

### Gumballs

### Hedge Apples
