In the event that any Unit is altered, improved or reconstructed in accordance with the Declaration and this Supplemental Declaration, this process shall be followed to determine the new legal description. 6. SFA Association. The Owners of all of Units within the Property, together with the Owners of any other Units that may from time to time be made subject to all of the terms and provisions of this Supplemental Declaration in the manner hereinafter provided for, shall be the members of the SFA Association. Membership in the SFA Association shall be limited to the Developer and Owners of Units within the boundaries of the Property as it exists from time to time, as hereinafter set forth.

(a) The SFA Association shall have two (2) classes of voting membership, as follows:

(i) Class A. Each Owner of a Unit in the Property shall be a Class A member. Each Class A member shall be entitled to one vote for each Unit owned by him, her or it in fee simple title. Provided, however, that until a residence is completed and occupied in good faith on a Unit, the Developer shall be entitled to the vote of the Unit Owner, and purchase of a Unit subject to this Supplemental Declaration shall constitute the purchaser's proxy to Developer for the aforesaid purpose. When more than one person holds such interest in any Unit, all such persons shall be members and the vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Unit.

(ii) Class B. The Developer shall be a Class B member. The Developer shall have the right to appoint a majority of the SFA Board and shall have the right to approve and power to veto any and all actions of the SFA Association. Class B membership of the Developer shall continue until Developer owns no land within the Property (including lands added as set forth below) or until Developer relinquishes its Class B membership, whichever first occurs. For purposes of voting requirements herein, the Class B member shall have twenty (20) votes for each Unit owned by it, in addition to the right to approve and power to veto set forth above.

(b) The voting rights of a Class A member shall be suspended for any period during which any assessment described herein, including interest and fees, remains unpaid.

(c) At any regular or special meeting of the SFA Association, members may cast their vote in person or by proxy.

(d) Except as hereinbefore provided, the SFA Association shall be the sole judge of the qualification of its members and of their rights to participate in its meetings and proceedings.

(e) Unless the context clearly indicates to the contrary, decisions by the SFA Association described herein shall require approval of the requisite percentage of Class A and Class B votes combined, and not separate requisite percentages of each Class.

7. Powers and Duties of the SFA Association. In addition to those powers and duties set forth elsewhere in this Supplemental Declaration or in the articles and the

bylaws of the SFA Association, the SFA Board shall have and may (however shall not be obligated to) exercise the following powers and authority:

(a) To conduct, manage and control the affairs of the SFA Association and to make and enforce rules and regulations not inconsistent with the Declaration or this Supplemental Declaration and which it deems to be in the best interests of the Owners of Units within the Property.

(b) To determine the frequency, date, time and location of any SFA Board meetings, provided that the SFA Board shall meet not less frequently than once a year.

(c) To appoint an agent or property management company as manager of the Property, which manager may or may not be associated with the Association, and to delegate such of its powers to such agent or manager as may be required for proper maintenance and operation of the Property, including without limitation the authority and responsibility for operating the Rental Program.

(d) To make contracts and incur liabilities and to pay, out of the assessments against Owners, the following items (among others):

(i) Compensation for the manager and for all employees of the SFA Association, including medical and hospitalization insurance, pension plans and such other compensation as the SFA Board shall deem appropriate.

(ii) Legal, accounting and consultant fees for services necessary or proper in the operation of the SFA Association or enforcement of the restrictions and covenants herein contained and other rules and regulations adopted by the SFA Board.

(iii) The costs of any other materials, supplies, furniture, labor, services, maintenance, repairs or structural alterations, which the SFA Board is required to secure or pay for pursuant to the terms of this Supplemental Declaration, or the enforcement of this Supplemental Declaration or any rules and regulations.

(iv) Expenses for maintenance and repair of any Unit or Landscape Easement if such maintenance and repair is necessary, in the opinion of the SFA Board, and the Owner or Owners of said Unit have failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity for such maintenance or repair is delivered personally or by certified mail to said Owner or Owners. The SFA Board, its agents and employees are hereby given the right and license, if the foregoing maintenance or repair is not performed after such notice, to enter upon any Unit and levy a special assessment against the Owner or Owners of any such Unit to pay for the costs or expenses incident to said maintenance, repair, and assessment.

(e) To establish and maintain a contingency reserve account in an

amount up to fifteen percent (15%) of the projected annual operating budget for the upcoming year, to assure the availability of funds for unanticipated or extraordinary expenses.

(f) To adopt and amend budgets for revenues, expenditures, and reserves and collect assessments from the Owners.

(g) To institute, defend, or intervene in litigation or administrative proceedings, in its own name or on behalf of two (2) or more Owners, on matters affecting the Property

(h) To acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property.

(i) To make reasonable accommodations in any rules and regulations and declarations adopted by the SFA Association or the SFA Board, or any other restrictions applicable to the Property if such accommodations are required by law to afford a disabled person equal opportunity to use and enjoy the Property.

(j) To impose charges for late payment of assessments and, after notice and an opportunity to be heard, levy reasonable fines for violations of the Supplemental Declaration, or any rules and regulations of the SFA Association.

(k) The SFA Board shall have the right, power and privilege to suspend the voting rights of an Owner or Owners for the period during which an assessment against its Unit remains unpaid and delinquent. The SFA Board shall also have the right to suspend the voting rights of every Owner of a Unit for a period not to exceed thirty (30) days for any one (1) violation of this Supplemental Declaration or infraction of any rules and regulations of the SFA Association committed by such Owners, their respective guests, servants, family members, tenants or invitees; provided that any suspension of voting rights (except for failure to pay assessments) shall be made only after written notice and the opportunity for a hearing are provided.

(l) To impose reasonable charges for the preparation and recording of amendments to this Supplemental Declaration, resale certifications, or statements of unpaid assessments.

(m) To provide for the indemnification of its officers and SFA Board members and to maintain directors' and officers' liability insurance.

(n) To assign its rights to future income, including the right to receive assessments, but only to the extent expressly provided in this Supplemental Declaration.

(o) To adopt and amend the bylaws of the SFA Association and rules and regulations governing the use of the Common Elements and the improvements and facilities located thereon.

(p) To exercise any other powers conferred by this Supplemental Declaration, in the articles or bylaws of the SFA Association, or necessary and proper for the administration of the SFA Association.

8 Assessments.

(a) Assessments for Common Expenses. All Owners within the Neighborhood other than the Developer shall be obligated to pay the assessments imposed by the SFA Association to meet the Common Expenses. Each Owner shall be jointly and severally liable for the Common Expenses that are levied against such Owner's Unit. Assessments for the estimated Common Expenses ("Regular Assessments") shall be due monthly in advance on or before the first (1st) day of each month. Any Regular Assessment not paid by the tenth (10th) day of each month shall accrue interest from said date until paid, at the maximum rate permitted by law. Liability for Regular Assessments shall be prorated if the ownership of a Unit commences on a day other than the first day of a month. Purpose of Assessments.

(i) Regular Assessments shall be used exclusively for the purposes of promoting the health, safety, welfare and recreation of the residents of the Property and the facilities devoted to said purposes. Such uses may include, but are not limited to, the cost to the SFA Association of the following: fire, extended coverage, vandalism, malicious mischief and liability insurance for the Units; management services; taxes and assessments, general and special (exclusive of real estate taxes and assessments assessed against Owners); legal and accounting services as may from time to time be authorized by the SFA Association; construction of facilities relating to the SFA Association's purposes; maintenance of easements upon, constituting a part of, appurtenant to or for the benefit of, the Property; mowing grass and maintaining the grounds and landscaping; pest control; road maintenance; and outdoor lighting. Nothing herein shall require the SFA Association to provide any of the services for which Regular Assessments are to be used hereunder.

(ii) Upon acquisition of record title to a Unit from the Developer or a Builder, each purchaser of a Unit shall contribute to the working capital fund of the SFA Association a one-time initiation fee equal to no more than two (2) months of the then current monthly assessment for such Unit, as determined by the SFA Board. This amount shall be deposited by the purchaser of such Unit into an escrow established in connection with the closing of the purchase and sale of the Unit and disbursed therefrom to the SFA Association, which shall hold such funds in a segregated interest-bearing account for the use and benefit of the SFA Association. The Developer shall have no obligation to make contributions to the working capital fund. The purpose of the working capital fund is to insure that the SFA Board will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the SFA Board for the performance of its obligations. Amounts paid into the fund are not to be considered as advance payment of Regular Assessments.

(iii) The SFA Association, through the SFA Board, may also establish a reserve or sinking fund to be maintained in a segregated

interest-bearing account, in order to accumulate funds for the anticipated cost of maintenance, repair and replacement of capital improvements, including fixtures and personal property relating thereto. The SFA Board may levy assessments for the reserve fund, payable no more frequently than monthly, in the same manner as Regular Assessments. Amounts paid into the reserve or sinking fund are not to be considered as advance payment of Regular Assessments.

(c) Determination of Assessments. Each year the SFA Board shall prepare a proposed budget for consideration by the Owners at a meeting held not less than ten (10) nor more than thirty (30) days after the mailing or delivery by the SFA Board to each Owner of notice of the meeting and a summary of the proposed budget. The budget and any summary shall specify the total amount of each proposed assessment, including any assessments for the reserve fund or the emergency working capital fund and any Special Assessments as provided below. Unless at that meeting the holders of a majority of the votes in the SFA Association reject the budget, the budget shall be deemed ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the SFA Board in the same manner as set forth above. Each budget shall reflect the cash requirements necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Elements. The omission or failure of the SFA Board or the Owners to fix the assessment for any month shall not be deemed a waiver, modification or a release of the Owners from the obligation to pay any future assessment for such month.

(d) Changes in Assessments. If the Board determines at any time during any fiscal year that a greater Regular Assessment is required to adequately perform the duties and responsibilities of the SFA Association and pay all expenses thereof, then the SFA Board may call a special meeting of the Owners. Unless at that meeting the holders of a majority of the votes in the SFA Association reject the greater Regular Assessment, the greater Regular Assessment shall be deemed ratified, whether or not a quorum is present. The SFA Board may decrease the amount of any Regular Assessment or any other assessment at any time or times and to any amount the SFA Board deems appropriate and consistent with sound business practices, without the approval of the Owners.

(e) Special Assessments. In addition to the assessments otherwise authorized in the Declaration and this Supplemental Declaration, the SFA Association may levy at any time a special assessment (a "Special Assessment") for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of improvements upon the Common Elements, including the necessary fixtures and personal property related thereto, provided that any such Special Assessment must be approved by the holders of at least sixty-seven percent (67%) of the votes in the SFA Association cast at a meeting of the Owners duly called for this purpose, at which a quorum is present.

(f) Notice of Assessments. The SFA Board shall give each Owner written notice of the amount of its Regular Assessment and any other assessments payable in monthly installments at least ten (10) days before the first day of the fiscal year in which such assessments are payable. The SFA Board shall give at least thirty (30) days' written notice of all other assessments. Failure of the SFA Board to give timely notice of any assessment shall not release any Owner from the obligation to pay the assessment, but shall postpone the date the assessment is due, until the required notice period has elapsed; provided that, if the assessment is payable in monthly installments no due date will be postponed unless such due date occurs before the notice is given or within the ten (10) days following the date such notice was given, Lien for Assessments.

(i) All assessments of any kind not paid by an Owner when due, including interest thereon at the lesser rate of (i) the highest amount allowed by law; or (ii) eighteen percent (18%) per annum, and shall constitute a lien on such Unit superior and prior to all other liens and encumbrances, except:

(A) Liens and encumbrances recorded before the recordation of this Supplemental Declaration, including any mortgage;

(B) All liens under any mortgage for the purchase of a Unit recorded prior to the date such assessment becomes delinquent; and

(C) Liens for real estate taxes and other governmental assessments or charges against the Unit.

(ii) If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the SFA Association

(iii) Such lien shall attach from the date the assessment becomes due. The lien may be enforced by foreclosure of the defaulting Owner's Unit by the SFA Association in the same manner as a mortgage on real estate. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including, without limitation, all publication, recording, title search and mailing costs, the costs and expenses for filing any necessary notice or claim of lien and all reasonable attorneys' fees and trustee's fees. The Owner shall also be required to pay to the SFA Association a reasonable rental for the Unit during the period of delinquency, and the SFA Association shall have the power to bid for the Unit at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. In the event a foreclosure has been commenced but is subsequently stopped because the Owner has paid all amounts due, the Owner will nevertheless pay all of the aforesaid costs and expenses incurred through the time the delinquency is paid.

(iv) The amount of each assessment shall also be a personal debt of each respective Owner at the time the assessment becomes due. The SFA Association may maintain an action against each Owner to recover a money judgment for unpaid assessments without foreclosing or waiving the lien securing the same, and the SFA Association shall also be entitled to a judgment for reasonable attorneys' fees and court costs.

(h) Association Assessments. The assessments set forth in this Supplemental Declaration shall be in addition to, and not in lieu of, any assessments levied by the Association pursuant to the Declaration. Payment of the regular assessment by a Unit Owner to the Association shall entitle such Unit Owner to all rights and privileges afforded to other members of the Association.

9. Right of Access. An authorized representative of the SFA Association and all contractors, repairmen or other agents employed or engaged by the SFA Association, shall be entitled to, and are hereby granted an easement for, reasonable access to each of the Units within the Property and any structures constructed thereon as may be required to perform any of the Association's responsibilities hereunder. The SFA Association shall use good faith efforts to coordinate access within any Unit with the Owner.

10 Easements. The Property is hereby subject to the following easements:

(a) Utility Easements. Developer will install or cause to be installed lines, pipes, conduits, and other utility facilities, hereafter referred to as "utility lines", for the purpose of providing proper utility service to the Units, which may include sewer, electricity, gas, water, and telephone services. To insure that such utility lines shall be installed, kept, maintained, restored, repaired and replaced, Developer hereby reserves unto itself, and grants to the Association and the SFA Association, an easement to install, keep, maintain, restore, repair, and replace any utility lines under and across the Units. . The utility lines, including sanitary sewer service lines, if any, shall be kept, maintained, restored, repaired and/or replaced by the SFA Association. If, in order to maintain, restore, repair or replace any utility lines or other utility equipment that serves more than one Unit, it becomes necessary to break through walls, excavate or otherwise damage a Unit or any structure located on a Unit, the damages caused by such entry shall be repaired and the Unit any such structure shall be restored to as near as possible, the same condition as prior to such damage. Expenses for maintaining any utility above the basement floor or within the exterior plane of any wall or roof of a Unit shall be paid for by the Owner and not the Association or SFA Association.

(b) Easement for Ingress and Egress. Developer hereby creates and reserves to itself, and hereby grants to the Association and the SFA Association for the benefit of each Owner, an easement for ingress and egress from each Unit over and across all the Common Areas, including common drives, sidewalks and tracts.

(c) Easement for the Associations. Developer hereby establishes and reserves to itself, and hereby grants to the Association and the SFA Association, an easement over, under and across all of the Property for the purpose of executing any of the powers, rights, or duties granted to or imposed upon the

Association or the SFA Association by the terms of this Supplemental Declaration, the Declaration, or their respective Articles of Incorporation or Bylaws.

(d) Landscape Easement. Each Owner of a Unit is hereby granted an easement for landscaping, subject to the terms and conditions set forth herein, (the "Landscape Easement") which Landscape Easement shall be appurtenant to such Owner's Unit (once constructed) and shall lie within a four (4) foot radius surrounding the lot line of such Owner's Unit (once finally platted, and as adjusted from time to time as provided herein). Within an Owner's Landscape Easement, the Owner shall have the right, privilege and responsibility to maintain all grass, trees, shrubs, plants and landscaping in a neat and attractive condition; provided however that any alteration or modification of the landscaping from the landscaping provided by Developer when the Unit is initially constructed shall require the prior written approval of the ARC.

11. Contact Information. Each Owner of a Unit within the Property shall provide the ARC and the SFA Board with the name, address and day and evening telephone numbers for an emergency contact person for such Owner's Unit, and shall keep such information current.

12. Effect of Supplemental Declaration. The Declaration, as herein modified, amended and supplemented, shall continue in full force and effect in accordance with the terms thereof.

13. Expansion or Reduction of SFA Property; Developer Rights. The Developer unconditionally reserves the right to subject additional land to these restrictions and add the same to the Neighborhood created by this Supplemental Declaration at any time by a document recorded in the Office of the Register of Deeds of Johnson County, Kansas. The Developer shall have the power at any time to waive or modify any or all of the restrictions or covenants contained herein, and make the same applicable to all real property within the Property so long as Developer owns any real property within the area subject to this Supplemental Declaration. Further, Developer shall have the right to waive or modify any or all of the restrictions or covenants contained herein only as to a specific Unit that remains undeveloped or unimproved and under the ownership or control of Developer, or its assigns. For purposes hereof, "unimproved" shall mean that no finished residence has been erected thereon. The Developer specifically reserves the right carry on its business in the subdivision, so long as Developer owns land within the subdivision or new homes are being constructed, including, but not limited to, maintaining sales offices, model homes, business offices and other facilities necessary or convenient for the business of Developer.

IN WITNESS WHEREOF, the Developer has set its hand on this Supplemental Declaration on the date and year above written.
