The covenants are to run with the land and shall be binding on all owners within this subdivision and their grantees, heirs and assigns and all persons claiming under them until December 31, 2030, and shall be automatically continued thereafter for successive periods of twenty (20) years each, unless the owners of the fee title to the majority of said lots shall by resolution at a special meeting called for that purpose upon mailed notices to all such owners, release, change, amend or alter any or all of the said restrictions, to be effective at the end of any such twenty (20) year period. Such amendment shall be in writing, shall be signed and acknowledged by the owners of the lots agreeing thereto, and shall be filed with the Register of Deeds of Johnson County, Kansas. The following restrictions or protective covenants shall be kept by all persons owning, occupying or using said lots and land and may be enforced by injunction, mandatory or otherwise; the Association may recover its reasonable attorneys fees in connection with such proceedings.

If any party hereto, or any of its grantees or assigns, shall violate or attempt to violate any covenants herein, it shall be lawful for any other person or persons owning any real estate in Fairfield to prosecute any proceedings at law or equity against the person or persons violating or attempting to violate any such covenants and either prevent him or them from so doing or to recover damages for such violation.

Invalidation of any one of these restrictions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

i) No lot in Fairfield shall be used for any purpose except residential one-family residences. No building shall be erected, altered, placed, or permitted to remain on any lot, other than one detached single-family dwelling not to exceed three (3) stories in height with an attached private garage for not less than three (3) cars. The ACC reserves the right to approve, in writing, variances for two-car garages on a case-by-case basis. The Developer may designate one or more lots for the purpose of constructing and maintaining a swimming pool and related amenities, and convey same to the Association (hereafter defined) as common area.

ii) No lot shall be in any way subdivided. No building, structure, appurtenance or improvement of any type shall be erected, placed or altered on any lot until construction plans

and specifications, including a plan showing location on the lot, have been approved by the Architectural Control Committee, hereafter defined ("ACC"). The ACC shall have the absolute discretion to approve or disapprove such plans, and shall consider same in connection with these restrictions, quality and type of workmanship and materials, harmony of external design and colors with existing structures and landscape, and location with respect to topography and finished grade elevation. No fences shall be erected, placed or altered without the prior approval of the ACC. Provided, however, that the ACC shall have the absolute discretion to approve building, construction and fencing materials that may now or hereafter exist, and which would otherwise be prohibited by these Restrictions, upon a finding that the use of such materials will not be injurious to the values of existing homes in Fairfield.

Neither the Developer nor the Association, nor any member of the ACC or the Board shall be personally liable to any person for any discretionary approval, disapproval or failure to approve any matter submitted for approval, for the adoption of any rules, regulations or guidelines or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration.

A. The ACC will be composed of the Board of Directors, of the Fairfield Homes Association ("Board of Directors"), or a subcommittee designated by it. Until such time that there exists a Board of Directors of the Fairfield At Heritage Park Homes Association ("Association"), the Developer will act as the ACC. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. Neither the members of the Committee, nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

B. The ACC shall have control over completed homes in Fairfield at or after the recording of this Declaration; exclusive control over approval of new homes to be constructed after the date of the filing of this Declaration shall be vested solely in Developer, until such time as the homes are sold and the owners thereof become subject

to this Declaration of Restrictions and any homes association declaration, at which time said homes will then become subject to the ACC.

The Board of Directors may establish rules and regulations for the use of a portion of a home by the owner thereof in furtherance of his or her occupation; provided, however, that such use shall not otherwise result in the violation of these restrictions or permit advertising (on or off site) or visitation by customers or clients at the home; and provided, further, that use of any lot for day care (child or adult) purposes is prohibited.

I. The above lots may be improved, used or occupied only for private residences, and no flat, duplex or apartment house, though intended for residential purposes, may be erected thereon.

In the event an otherwise permitted animal, in the discretion of the Board, constitutes a nuisance or endangers the safety or welfare of any resident of the subdivision, such animal shall be removed from the subdivision by the owner thereof. In the event the owner fails or refuses to remove the animal, the Board of Directors may cause the animal to be removed.

For purposes hereof, a "sign" includes any mark, symbol, word(s), drawing or other drawing intended to communicate to a viewer.
