The covenants are to run with the land and shall be binding on all owners within this subdivision and their grantees, heirs and assigns and all persons claiming under them until December 31, 2015, and shall be automatically continued thereafter for successive periods of twenty (20) years each, unless the owners of the fee title to the majority of said lots shall by resolution at a special meeting called for that purpose upon mailed notices to all such owners, release, change, amend or alter any or all of the said restrictions, to be effective at the end of any such twenty (20) year period. Such amendment shall be in writing, shall be signed and acknowledged by the owners of the lots agreeing thereto, and shall be filed with the Register of Deeds of Johnson County, Kansas. The following restrictions or protective covenants shall be kept by all persons owning, occupying or using said lots and land and may be enforced by injunction, mandatory or otherwise; the Association may recover its reasonable attorneys fees in connection with such proceedings.

If any party hereto, or any of its grantees or assigns, shall violate or attempt to violate any covenants herein, it shall be lawful for any other person or persons owning any real estate in Cedar Ridge to prosecute any proceedings at law or equity against the person or persons violating or attempting to violate any such covenants and either prevent him or them from so doing or to recover damages for such violation.

Invalidation of any one of these restrictions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

1. No lot in Cedar Ridge shall be used for any purpose except residential one-family residences. No building shall be erected, altered, placed, or permitted to remain on any lot, other than one detached single-family dwelling not to exceed three (3) stories in height and an attached private garage for not less than two cars.

2. No lot shall be in any way subdivided. No building, structure, appurtenance or improvement of any type shall be erected, placed or altered on any lot until construction plans and specifications, including a plan showing location on the lot, have been approved by the Architectural Control Committee, hereafter defined ("ACC"). The ACC shall have the absolute discretion to approve or disapprove such plans, and shall consider same in connection with these restrictions, quality and type of workmanship and materials, harmony of external design and colors with existing structures and landscape, and location with respect to topography and finished grade elevation. No fences shall be erected, placed or altered without the prior approval of the ACC.

A. The ACC will be composed of the Board of Directors, of the Cedar Ridge HOMES ASSOCIATION ("Board of Directors"), or a subcommittee designated by it. Until such time that there exists a Board of Directors of the Cedar Ridge HOMES ASSOCIATION, the Developer will act as the ACC. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. Neither the members of the Committee, nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

B. The ACC shall have control over completed homes in Cedar Ridge at or after the recording of this Declaration; exclusive control over approval of new homes to be constructed after the date of the filing of this Declaration shall be vested solely in Developer, until such time as the homes are sold and the owners thereof become subject to this Declaration of Restrictions and any homes association declaration, at which time said homes will then become subject to the ACC.

C. No building shall be located nearer than twenty-five (25) feet to the existing street lot line as shown in the recorded plat(s) of Cedar Ridge or the setback required by city ordinance, whichever is more restrictive.

D. No building shall be located nearer than five (5) feet to any interior lot line, or as required by city ordinance, whichever is more restrictive.

E. For the purposes of these covenants, eaves, steps and open porches shall not be considered a part of a building, provided, however, that this shall not be construed to permit any portion of a building or structure to encroach upon another lot.

F. No fencing shall be permitted upon any of the lots unless such fencing shall be cedar or wrought iron and built with methods and materials which harmonize with external design of buildings in Cedar Ridge; all such fences must be approved in writing by the ACC. No fence shall exceed 48" in height unless specifically approved for a greater height by the ACC. All exterior decks shall be constructed of cedar wood, however ground supports may be of treated wood. No animal pens or runs shall be permitted.

G. All houses shall have external driveways consisting exclusively of properly constructed concrete surfaces; all lots, regardless of house location thereon, shall be fully sodded provided, however, no sodding shall be required where, in the opinion of the ACC, soil, lighting or topographical conditions would make sodding impractical or unreasonably expensive, and provided further that no duty to clear any tract of trees, bushes, shrubs or natural growths which are kept reasonably attractive shall be implied.

H. Each lot shall be used for only single family residential purposes; provided, however, that the Developer reserves the right to utilize one or more lots for common areas or common amenities, or sales offices. The Board of Directors may establish rules and regulations for the use of a portion of a home by the owner thereof in furtherance of his or her occupation; provided, however, that such use shall not otherwise result in the violation of these restrictions or permit advertising (on or off site) or visitation by customers or clients at the home; and provided, further, that use of any lot for day care (child or adult) purposes is prohibited.

I. The above lots may be improved, used or occupied only for private residences, and no flat, duplex or apartment house, though intended for residential purposes, may be erected thereon.

J. No residence shall be more than three stories in height, except that split-level construction shall be permitted.

M. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats, or other common household pets may be kept, provided they are not kept, bred, or maintained for any commercial purpose, and further

provided that not more than three (3) dogs or cats (or combination thereof) shall be kept or maintained on any lot. In the event an otherwise permitted animal, in the discretion of the Board, constitutes a nuisance or endangers the safety or welfare of any resident of the subdivision, such animal shall be removed from the subdivision by the owner thereof. In the event the owner fails or refuses to remove the animal, the Board of Directors may cause the animal to be removed.

N. No school or other buses, motor homes, mobile homes, autos, campers, camper-trailers, recreational vehicles, tractors or trucks shall be parked at the curb for more than twenty-four (24) hours at any one time. No school bus, camper, motor home, mobile home, camper, camper-trailer, recreational vehicle, tractor, truck with a capacity in excess of 3/4 ton, truck with camper attached or boat shall be parked or left outside on any lot for more than twenty-four (24) hours at any one time; such vehicles shall be stored in a garage if kept on a lot for more than twenty-four (24) hours. No major repair work shall be done on any car, truck, trailer or other vehicle while parked outside the garage or in the street. R. No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. Outside trash burning shall be prohibited, except on lots that have residences under construction.

S. No radio or television aerial wire, antenna, antenna tower, satellite dish (in excess of 36" in diameter) or energy collector, whether permanent or temporary, shall be maintained outside of any structure.

T. No tanks for the storage of oil or other fluids may be maintained on any portion of the premises above or below the surface of the ground.

U. No trash, ashes, or other refuse shall be thrown, dumped or placed upon any undeveloped portion of the subdivision.

V. Lawns shall be kept in good condition as soil, climate and other natural conditions permit, and grass shall not be permitted to reach a height of six (6) inches or more or otherwise create an unsightly appearance. In the event such grass is not kept within the height limitation above, the Association shall have the right to have such grass cut, and the cost therefor collected from the owner in the same manner as Association dues.

W. Any property owner or property subject to the restrictions herein set forth may construct, for their personal use, one in-ground swimming pool, the design and materials of which shall be subject to the approval of the ACC; no above ground or above grade swimming pools shall be permitted. No tennis courts shall be allowed unless constructed on common areas or areas owned by the Homes Association.

For purposes hereof, a "sign" includes any mark, symbol, word(s), drawing or other drawing intended to communicate to a viewer.

BB. No residence or lot or any portion thereof may be leased or rented for a period of less than six (6) months. All leases or rental agreements shall be in writing, and the owner of the lot shall be responsible for compliance by the renter or lessee of these restrictions and the rules and regulations of the Association.

CC. No hunting or use of firearms or archery equipment shall be permitted in the subdivision.

7. It is agreed that if the owner of any vacant lot fails or refuses to cut weeds or brush from the cleared portions of the property, then the ACC shall have authorization to do so and the cost thereof may be taxed as a lien against the property.

8. The Developer unconditionally reserves the right to subject additional land to these restrictions and add same to the district and subdivision at any time, by document recorded in the Office of the Register of Deeds of Johnson County, Kansas.

9. (j) To provide for the collection and disposal of rubbish and garbage, in the discretion of the Board of Directors of the Association.

(k) To levy and collect the assessments which are provided for in this Declaration.

(2) The Association shall have the following additional powers and duties which it may exercise and perform whenever in its discretion it may deem it necessary or desirable, to-wit:

(e) To employ duly qualified peace officers for the purpose of providing such police protection as the Association may deem necessary or desirable in addition to that rendered by public authorities.

(f) To contract for the services of consultants, managers, accountants and attorneys.

SECTION 7. METHOD OF PROVIDING GENERAL AND SPECIAL FUNDS

(1) For the purpose of providing a general fund to enable the Association to exercise the powers and maintain the improvements and render the services herein provided for, each Lot within the District, owned by a Class A member upon which a dwelling has been erected and is then or has been at any time theretofore occupied as a residence, shall be subject to an annual general fund assessment which may be levied by the Association from year to year, which assessment shall be paid to the Association annually or at such other times as the Association may determine in advance. Anything to the contrary herein notwithstanding, the Developer, in

its sole discretion, shall fix the amount of annual assessment, for so long as Developer owns land within the District (including land added to the District). Thereafter, the Board of Directors of the Association shall from year to year fix and determine the total amount required in this general fund and may levy and collect an annual assessment for each Lot owned by a Class A member upon which a dwelling has been erected and is then or has been at any time theretofore occupied as a residence. Assessments shall commence either upon occupancy of the home or by completed sale, whichever comes first. The assessment for the year in which the dwelling is erected shall be determined on the basis of date of the occupancy permit and will be prorated on a 365-day year basis.

(2) The maximum annual assessment upon each Lot as aforesaid may be increased by the Board of the Association on all the Lots in the District by an amount not exceeding fifty percent (50%) of the preceding year annual assessment which the Association may levy against such Lot and collect from year to year; provided, that the preceding year annual assessment upon each Lot as aforesaid may be increased on all the Lots in the District by an amount not exceeding one hundred percent (100%) of the previous annual assessment applicable to said Lot, provided that at a meeting of the members specially called for that purpose, prior to the date on which the assessment is levied for the year for which such increase is proposed, seventy-five percent (75%) of the votes of the Class A members present in person or by proxy at such meeting may authorize such an increase by an affirmative vote therefor. The Association shall be empowered to levy and collect special assessments for capital improvements or repairs in such amounts as the said Board deems reasonably necessary.

(3) Unless the increases provided for in paragraph (2) of this Section 7 are specifically limited by the resolutions in which they are contained to be for a specified period, they shall continue to be effective until rescinded by the Association, at a meeting specially called for such purpose, by an affirmative vote of seventy-five percent (75%) of the members present in person or by proxy, or by action taken under the terms of paragraph (5) of this Section 7 and in either such event the rescission shall be effective commencing on the first day of the next succeeding year.

(4) Whenever the Board of Directors of the Association may deem it advisable to submit to the members a proposal under paragraph (2) of this Section 7 for increasing or decreasing the amount of the annual assessments, it shall notify the members of the Association by mailing to such members at the last known address, with United States postage prepaid thereon, a notice of such meeting, giving the time and place at which it is to be held and the fact that an increase or decrease in the amount of the annual assessment is to be voted upon at such meeting; such notice must be deposited in the United States mail at a post office within twenty (20) miles of Olathe, Kansas, not less than fifteen (15) days prior to the date of such special meeting.

(5) The first general assessment hereunder shall be for the calendar year beginning January 1, 2000, and shall be due and payable thirty (30) days after such assessment; future assessments shall be due and payable on January 1st of each year thereafter. Within fifteen (15) days from the levying of each assessment, the Association shall notify all Owners of assessable Lots whose addresses are listed with the Association of the amount of such assessment. Failure of the Association to levy the assessment prior to January 1st of each year for the next

succeeding fiscal year beginning on January 1st shall not invalidate any such assessment subsequently made for that particular year; nor shall failure to levy an assessment for any one year affect the right of the Association to do so for any subsequent year. When the assessment is levied subsequent to the 1st day of December which precedes such fiscal year then such assessment shall become due and payable not later than thirty (30) days from the date of levying the assessment. Prior to the first assessment hereinabove provided for, if the Developer shall deem it necessary for the purpose of carrying out the terms of this Declaration, it shall have the right to make a partial assessment within the limits herein provided for and on a prorated basis for the period of time ending December 31, 2000. The Board of Directors of the Association may elect to permit collections in monthly, quarterly or semi-annual payments in lieu of the annual payments provided for herein.

(6) A written or printed notice, deposited in the United States Post Office, with postage prepaid thereon, and addressed to the respective Owners at the last address listed with the Association, shall be deemed to be sufficient and proper notice for these purposes, or for any other purpose of this Declaration where notices are required, unless otherwise provided herein.

(7) The Owner of each Lot subject to an annual assessment as herein provided in paragraph of this Section 7 shall by acceptance of a Deed to such Lot be taken to have agreed and does by these presents agree to pay to the Association all assessments placed against such Lot in accordance herewith, and said Association is hereby granted the power to proceed against such Owner personally for the collection of said assessments, said right to be in addition to and not to be construed as a limitation upon remedies and rights of said Association otherwise herein granted.

(8) The Board of Directors of the Association shall be empowered to levy and collect an initiation fee in an amount not greater than one-half of the then yearly general assessment from the first purchaser of each dwelling.

SECTION 8. LIEN ON REAL ESTATE

(1) The assessment provided for herein shall become a lien on the real estate against which it can be levied as soon as it is due and payable as above set forth; provided, however, that such lien shall be inferior or subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate. In the event of the failure of any Owner to pay the assessment within thirty (30) days from the date same is levied, then such assessment, from the thirtieth (30th) day after it has been levied shall bear interest at the maximum rate of interest then allowed in Kansas on judgments.

(2) Within thirty (30) days from the date of levying the assessment for the calendar year during which and for which the assessment is levied, the assessments shall become delinquent and payment of both principal and interest may be enforced as a lien on said real estate, in proceedings in any court in Johnson County, Kansas, having jurisdiction of suits for the enforcement of such liens. It shall be the duty of the Association to bring suits to enforce such liens before the expiration thereof. The Association may at its discretion file certificates of nonpayment of assessments in the office of the Register of Deeds whenever any such assessments are delinquent. For each certificate so filed, the Association shall be entitled to collect from the Owner or Owners of the property described therein a fee of the greater of One Hundred Fifty Dollars (\$150.00) or one year's general assessment as described in Section 7(1) above, which fee is hereby declared to be a lien upon the real estate so described in said

certificate, provided that such lien shall be inferior and subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate. Such fee shall be collectable in the same manner as the original assessments provided for herein and in addition to the interest and principal due thereon.

(3) Such liens shall continue for a period of five (5) years from the date of delinquency or the maximum amount allowed by law, whichever is longer, unless within such time suit shall have been instituted for the collection of the assessment, in which case the lien shall continue until the termination of the suit and until the sale of the property under execution of the judgment establishing same.

SECTION 9. EXPENDITURES LIMITED TO ASSESSMENTS FOR CURRENT YEAR

The Association shall at no time expend more money within any calendar year than the total amount of the general assessment for that particular year plus any surplus which it may have on hand from previous assessments; nor shall said Association enter into any contract whatsoever binding the general assessment of any future year to pay for any such obligation, and no such contract shall be valid or enforceable against the Association except for contracts for periods up to three (3) years for utilities, trash removal and equipment and property maintenance, it being the intention that the assessments for each year shall be applied as far as practicable toward payment of the obligations of that year, and that the Association shall have no power to make a contract affecting the assessment of any future or subsequent year except for the purposes set forth above.

SECTION 10. ASSOCIATION TO NOTIFY MEMBERS OF ADDRESS

The Association shall notify all Owners of land in the District as it may exist from time to time, insofar as the addresses of such Owners are listed with said Association, of the official address of said Association, the place and time of the regular meetings of the Association, and the place where payments shall be made and any other business in connection with said Association may be transacted, and in the case of any change of such address the Association shall notify all the Owners of the land within the District, insofar as their addresses are listed with the Association, of the new address.

SECTION 11. DEVELOPER ACTING FOR ASSOCIATION

Until relinquished as set forth below, the Developer shall have the right at its option to perform the duties, assume the obligations, levy and collect the assessments, and otherwise exercise the powers herein given to the Association, in the same way and manner as though all of such powers and duties were hereby given directly to the Developer. The Association contemplated by the terms of this Declaration shall not assume any of the rights herein provided for without the consent of the Developer and its relinquishment in writing of such rights. The Developer may, by appropriate agreement made expressly for that purpose, assign or convey to the Association any or all of the rights, reservations and privileges reserved by it in this Section 11, and upon such assignment or conveyance being made, the Association shall exercise and assume such rights.

SECTION 12. TO OBSERVE ALL LAWS

Said Association shall at all times observe all State, County, City and other laws, and if at any time any of the provisions of this Declaration shall be found to be in conflict therewith,

then such parts of this Declaration as are in conflict with such laws shall become null and void, but no other part of this Declaration not in conflict therewith shall be affected thereby. The Association shall have the right to make such reasonable rules and regulations, penalties for violation thereof and provide such means and employ such agents as will enable it to adequately and properly carry out the provisions of this Declaration, subject, however, to the limitation of its rights to contract as are herein provided.

SECTION 13. AMENDMENT

Upon the affirmative vote of 66% of the votes of Class A members in person or by proxy at a meeting called for such purpose, and with the approval of the Class B member (so long as Class B membership exists), evidenced by a Declaration duly executed and acknowledged by such Class A and Class B members and recorded in the office of the Register of Deeds of Johnson County, Kansas, this instrument may be modified and amended. Provided, however, that the Developer retains the right to amend this Declaration, in its sole discretion, as it may relate to land added pursuant to Section 4 above.

SECTION 14. HOW TERMINATED

This Declaration may be terminated, and all of the land now or hereafter affected may be released from all of the terms and provisions thereof, by the affirmative vote of ninety percent (90%) of the outstanding total votes of Class A and approval of the Class B member (so long as Class B membership exists), and shall be evidenced by an appropriate agreement or agreements for that purpose and filing the same for record in the office of the Register of Deeds of Johnson County, Kansas.

SECTION 15. COVENANTS RUNNING WITH THE LAND

All of the provisions of this Declaration shall be deemed to be covenants running with the land, and shall be binding upon the Developer and upon their successors and assigns.

SECTION 16. CONTRIBUTIONS MADE BY DEVELOPER

As conditions precedent to the development of the District, Developer has been required to pay to the City of Olathe and other authorities certain fees, charges and impositions for streets, parks, utilities and other off-site improvements. Each grantee of the Developer or of any Owner of a Lot, by the acceptance of a deed, and each purchaser under any contract for a deed of conveyance, and each purchaser under any agreement of sale, and each occupant of a Lot, and the heirs, successors and assigns of the foregoing persons, hereby releases the Developer, its successors, agents, officers, members, stockholders and assigns from any obligation to remit any part of such fees, charges and impositions to him, her or it in the event any of the same are declared invalid or illegal, or refunded for any reason, the refund or return of same to the Developer notwithstanding; it is expressly understood that Developer shall have the sole right to make claim for and receive any such refund or return.

OPTION TO EXCLUDE APPLICABILITY OF THE TERMS AND CONDITIONS OF THE FOREGOING DECLARATION TO CERTAIN REAL PROPERTY

Developer shall have the power at any time to waive or modify any or all of the restrictions or covenants contained herein as to said real property remaining undeveloped or unimproved and under the ownership or control of Developer, or its assigns. For purposes hereof, "unimproved" shall mean that no finished residence has been erected thereon. The Developer specifically reserves the right carry on its business in the subdivision, so long as

Developer owns land within the subdivision or new homes are being constructed, including, but not limited to, maintaining sales offices, model homes, business offices and other facilities necessary or convenient for the business of Developer.
