## Application for Burning Permit

### GENERAL PERMIT REQUIREMENTS (All Permits):

1. All burning permits require a site inspection and prior approval by the Lenexa Fire Department.
2. Burning shall not begin before 0800 hours and must be extinguished 30 minutes before sunset.
3. Lenexa Fire Department must be notified each day prior to burning. (913-888-6380).
4. Burn permits may be revoked and fires extinguished at any time in the sole discretion of the Fire Dept.
5. Fires shall be attended and supervised by a competent adult (\*AG fires require two adults) at all times until the fire is completely extinguished.
6. Burning is not allowed to occur near overhead lines or in City right-of-way, sidewalks or streets.
7. Only natural vegetation and land clearance material generated on the property for which the permit is issued may be burned. Treated lumber or sawn wood is not allowed.
8. An approved means of extinguishment (water hose, sand,) shall be available at burn site for immediate use.
9. Burning is not allowed when surface wind speed is less than 5 mph or in excess of 15 mph. (Determined at the fire station).
10. Burning is not permitted during an Orange Alert or a Red Alert Ozone Warning Day.
11. The permit shall remain in possession of the below named responsible party during the burning.
12. No burning is permitted that may produce emissions harmful to health, animals, plant life, or property, or that may interfere with the safety or enjoyment of life or property.
